1. Sign-Up

Users can create a new account by filling following details (Refer Screen 1.1)

- First Name (Maximum length 100, Mandatory)
- Last Name (Maximum length 100, non-Mandatory)
- User Name (150 characters or fewer. Letters, digits and @/./+/-/_ only, Mandatory)
- Password (Mandatory)
- Confirm Password (Enter the same password as before, for verification. Mandatory)
- E-Mail (Mandatory)

Password Requirement:

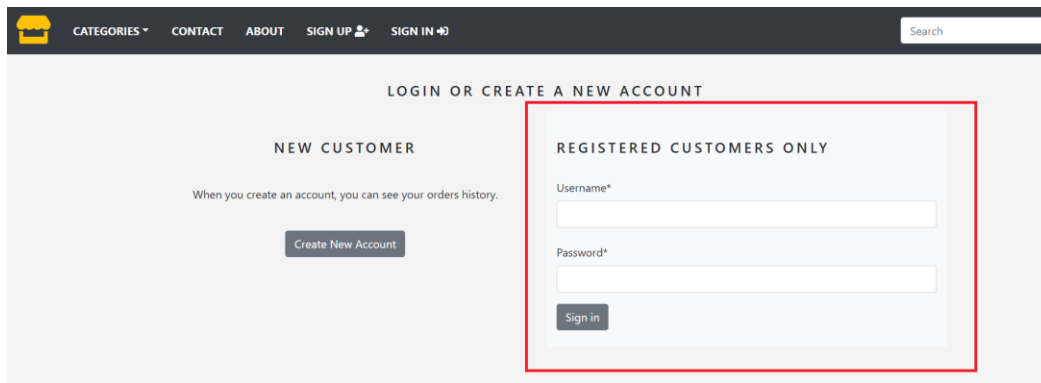

- Your password can't be too similar to your other personal information.
- Your password must contain at least 8 characters.
- Your password can't be a commonly used password.
- Your password can't be entirely numeric.

The screenshot shows a web application's sign-up page. At the top, a dark navigation bar contains a yellow shopping cart icon, followed by links for 'CATEGORIES', 'CONTACT', 'ABOUT', 'SIGN UP' (highlighted with a red box), and 'SIGN IN'. The main content area is titled 'CREATE A NEW ACCOUNT'. Below this title, a light gray box contains the form. The form starts with the instruction 'Enter the following information to create a new account'. It includes input fields for 'First name*', 'Last name*', 'Username*', 'Password*', 'Password confirmation*', and 'Email*'. The 'Password*' field is accompanied by a list of requirements: 'Your password can't be too similar to your other personal information.', 'Your password must contain at least 8 characters.', 'Your password can't be a commonly used password.', and 'Your password can't be entirely numeric.' Below the 'Email*' field, there is a text input field with the placeholder 'your@email@gmail.com' and a 'Sign Up' button at the bottom.

Screen 1.1

2. Sign-In

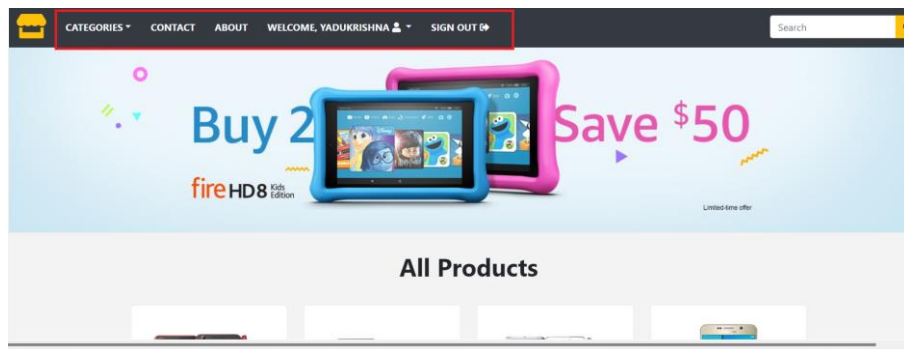

Users can login to the application using valid credentials (Screen 2.1).

Screen 2.1

On login, the application displays a screen with the following menus (Refer Screen 2.2).

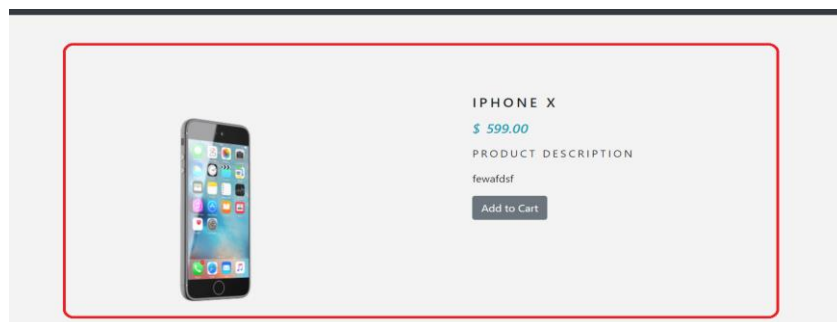

- Categories
- Contact
- About (Untestable)
- Welcome <User>
- Sign-Out

Screen 2.2

3. Categories

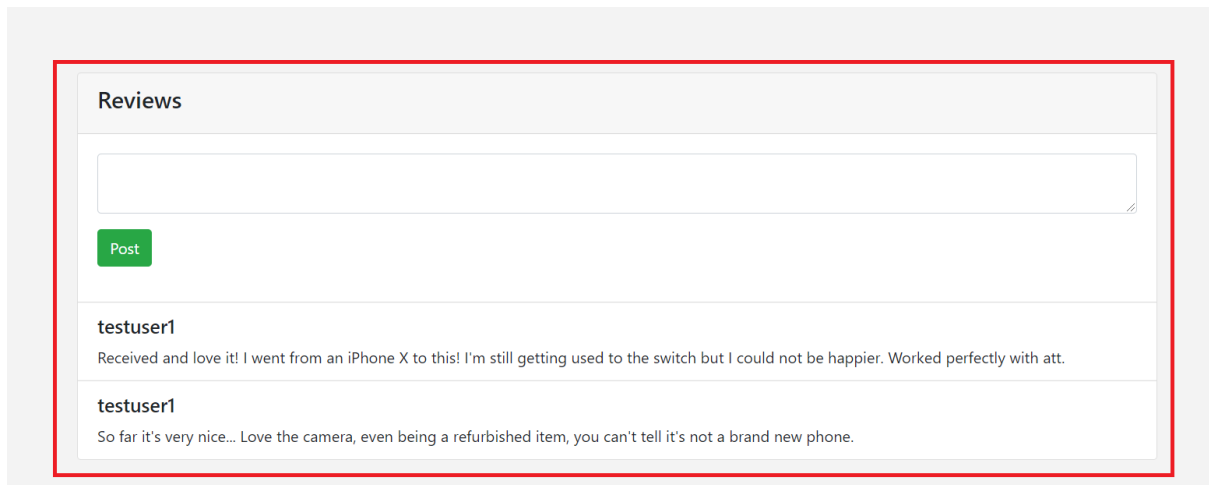

Under categories, users can select the required item for purchase. On selecting the required item, a product with add to cart item will be displayed (screen 3.1).

Screen 3.1

3.1 Review

Users can post and view all the reviews regarding the product (refer screen 3.2).

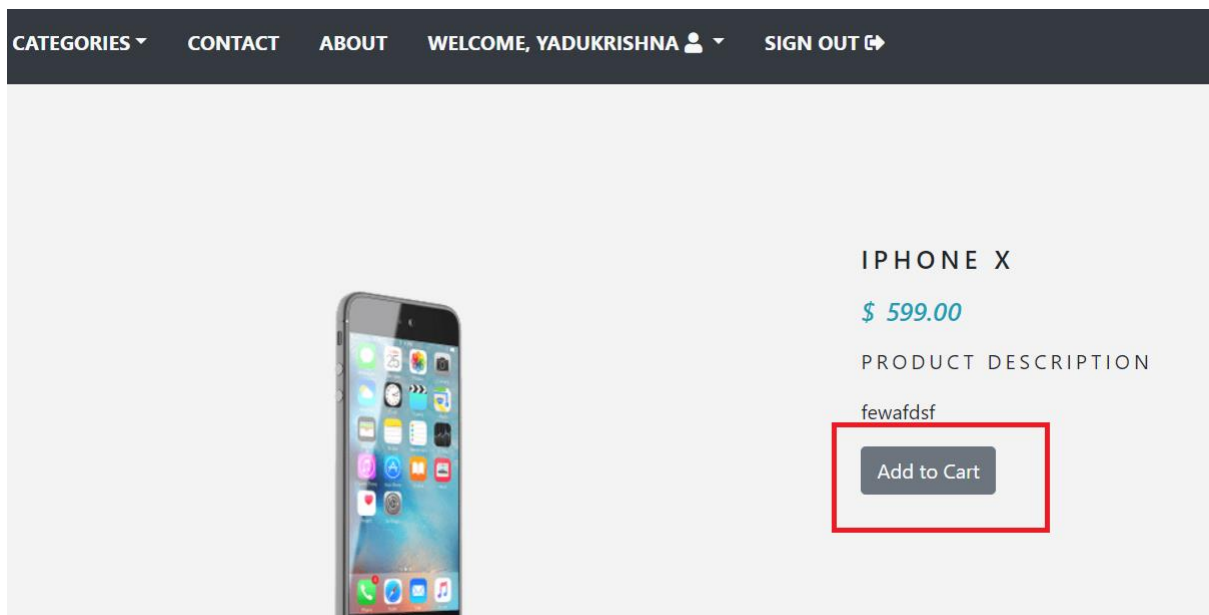

Screen 3.2

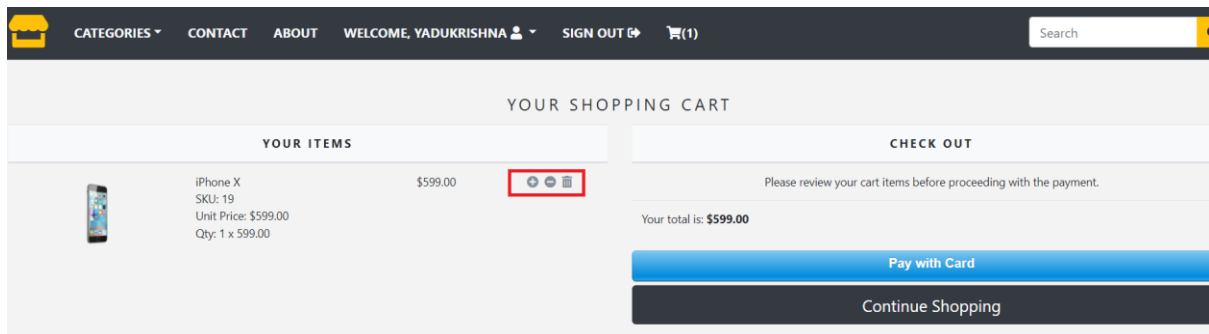

Note: The number of characters for posting review shouldn't exceed 450.

3.2 Add Cart

Users can add products to the cart by clicking on the “**Add Cart**” option (Screen 3.3 and screen 3.4).

Screen 3.3

Screen 3.4
